

Settlements will be going electronic through CompFile this July!

**Release 2
of CompFile, the IWCC's
new e-filing and case
management system,
is coming soon!**

Please wrap up your pending settlements on paper during the month of June.

Once electronic settlements go live in July, parties must file settlement contracts in CompFile on all cases with an Application for Adjustment of Claim that have been given an IWCC case number. Any settlement contracts involving a pro se petitioner will continue to be filed on paper until Release 3.
